

# High School Supplies

## General Supplies

***These supplies can be dropped off with any High School teacher during BCA's Orientation Day***

- 1 multipack Clorox or Lysol Wipes\*
- 1 container Hand Sanitizer
- 1 multipack Kleenex Tissues\*
- 1 multipack Paper Towels\*
- 1 package of Expo Markers
- 1 pack of Pencils
- 1 pack loose leaf Notebook Paper
- 1 pack loose leaf Graph/Grid Paper

\*Priority Supply Item

## Required Supplies

***Every student enrolled in a Bible course is required to bring the following supplies to class each day:***

- A print (hard copy) version of the Bible (modern translation suggested such as ESV, NIV, etc. and not a paraphrase such as 'The Message' or 'The Living Bible').

***Every student enrolled in a High School Math/Science course will be required to have a **TI-84 Calculator**. This calculator is an investment that your student will use for their entire tenure at BCA, as well as in college. It is highly recommended to label personal calculators with your student's name.***

Below are two approved options:

- [Texas Instruments TI-84 Plus Graphics Calculator](#)
- [Texas Instruments TI-84 Plus CE Color Graphing Calculator](#)

In addition to the general supplies listed above, each course may require additional supplies. To help you get ahead of back-to-school shopping, the following grade levels have provided an initial supply list for your convenience. All final supply lists will be communicated on the course syllabus available at Orientation.

## 9<sup>th</sup> Grade Supplies
